

JOHN H. KELLY,
SOLICITOR AND BUSINESS MANAGER.

HENRY & GRAHAM,
Attorneys at Law, Tazewell C. H., Va.
Practice in the Courts of Tazewell, Russell and Buchanan counties, Federal Courts, Circuit Court and Court of Appeals at Richmond, Va.
Particular attention paid to the collection of claims in the above named and adjoining counties; will also pay special attention to the investigation of land titles in said counties—as well as in the counties of Frederick and Mercer, West Virginia.

JOS. V. KELLY,
Attorney at Law,
Tazewell C. H., VIRGINIA.

Will practice in all the Courts of Tazewell and adjoining counties.
All claims entrusted will receive prompt and particular attention.
REAL ESTATE AGENT.
Parties desiring to buy or sell any kind of Real Estate will do well to confer with me.
Small commissions charged.
Office, with A. J. & S. D. MAY, opposite the Courthouse.

LOCAL BRIEFS.

All kinds of Official Blanks at the News office.
Mr. James Boone is very low with Typhoid fever.
Col. May is in Philadelphia on railroad business.
Mrs. S. C. Graham is at Hunter's home for her health.
Miss Kate Pendleton has returned to her home in Marion.
Messrs. Surface & White will send off a drove of horses soon.
Mr. Wm. G. Young has about recovered from a recent sick spell.
Jno. G. Watts, Esq., has been quite ill since his return from the North.
Old Type Metal for sale at this office cheap. Splendid for babbling.
The News will be furnished until after the election for 25 cents, cash.
The ladies of the Methodist church will give a concert within two weeks.
H. M. Smythe, the editor of the *Leadlight*, was in the city yesterday.
Master Hugh Wise, son of Capt. John S. Wise, is visiting Master Edd. Watts.
Miss Connie Spotts, of Richmond, on a visit to friends and relatives in town.
Mrs. Young and her son, Johnnie, visited Dr. Carson at Glade Spring last week—says the *Citizen*.
The County School Board met in the Courthouse yesterday. We didn't learn the nature of the business transacted.
The Republican members of the House have presented to Speaker Carlisle, a handsome solid silver service, costing \$800.
MISTAKEN.—We were mistaken as to the Episcopal bell alluded to in our last issue. The bell mentioned was for some other purpose.
The Clinch Valley Band serenaded our next Congressman, Maj. Henry. Monday night. The Maj. showed his appreciation by an appropriate little speech to the boys.
TELEPHONE.—The stock holders of the Tazewell Telephone Company met last Tuesday to complete arrangements to have a line run from this place to Graham. Now that every obstacle has been removed it is expected that the line will be completed in a short time, in time to get the news of Henry's election at the latest.

The *Index* says it expects to take a premium on Capt. Henry Bowen. Will the premium be paid in cash or silverware? We would call the attention of the *Index* to certain rules and regulations as laid down in the catalogue: "Officers will take every precaution for the safe keeping of things exhibited; but will in no case be responsible for loss or damage." "Stock &c. may be sold on last day of Fair." "Ten per cent on value of premium must be paid in advance." "Exhibitors not allowed to monkey with or influence the minds of the judges."

The *Baltimore Journal of Commerce* has been purchased by the publishers of the *Manufacturers' Record*, a weekly commercial paper. In their hands the *Manufacturers' Record* has, in less than 4 years, grown from a small unknown paper to be one of the foremost industrial journals in the country, universally acknowledged to have accomplished incalculable good for the South in promoting the development of its material resources. It will be a useful paper to all business men, and its market reports and quotations of prices will make it valuable to all shippers of produce, grain, cotton, tobacco, lumber, &c.

Is it not strange that some people will not advertise because the times are hard, and still they will wonder how others who do advertise manage to do a lively business.
The largest and prettiest selected stock of Pianos and Organs to be found in the State is at J. D. Hobbie's, Lynchburg. Mr. Hobbie knows just what the people of Virginia want, hence you will find just what you want in his warehouses. Buying directly from the factories he gets lowest prices.
With encouraging crop prospects more books and Bibles will be distributed throughout the South this summer and fall than for many years before. B. F. Johnson & Co., the well-known publishers of Richmond, have been expecting and are prepared to meet any reasonable demands that may be made upon them. Those who have not yet made arrangements to work for them this season had better communicate with them at once.
Few people in Tazewell yet realize how near we are brought to good markets by the construction of the New River Branch of the Norfolk & Western Railroad. Twelve hours will place our produce in Lynchburg; and a like time will bring our purchases of Groceries, &c., in our homes—at low freight rates. Last week we presented a strong list of good Lynchburg houses to the readers of the *News*.
The solvency and fair dealing of Lee, Taylor & Sneed have built up for them a huge business. We commend this house to our friends.
Messrs. Wm. A. Miller & Son claim to be the largest *Seed House*, South. Farmers wishing to purchase *Seeds of any kind* are advised to correspond with them. Avoid ox-eye daisy and other pests by buying from an honest dealer.
F. A. Kinckle will show you a *sermon*, if you will order your Shoes and Hats from him.
J. D. Hobbie can gratify the most exacting music talent in the line of Pianos and Organs. He will surprise you in his prices of *fine instruments*.
The old and reliable House of Cabaniss & Lunsford, of Petersburg, again present their card. Petersburg is a strong market for everything we sell.
Messrs. Drewry & Co. of Richmond, Wholesale Dry Goods, have out lived the Civil War—fire and sword and are still selling stacks of goods at very low prices. The late action of the N. & W. and Petersburg Railroads give through Bills of Lading from Richmond to Graham.
The Clinch Valley News has buffeted the storms of forty-one years, and to-day is the best advertising medium in the Clinch Valley. Business men should make a note of this.
